SECTION E

(Last rev. 02/22/2023)

Definition and purpose of Nomination:

Upon the closing of primary candidate registration, the POCR Central Committee shall pass a resolution acknowledging the “nomination” of all candidates that have filed to run as “preferring Republican,” endorsed or not. This is solely for the purpose of protecting the legal right of the POCR Central Committee’s elected, or appointed PCO’s, to vote on the replacement of any elected representative for a partisan office in the county, legislative district, or State Congressional district as per RCW, that may fail to complete their term of office for any reason.

Reference to the Top 2 Primary System:

1. A Republican candidate that is an incumbent may be officially endorsed and/or supported by the Pend Oreille County Republican before the Primary if said candidate has filed and receives two thirds support of Pend Oreille County Republicans members who have voting privileges present at

the regularly scheduled meeting.

2. At any regularly scheduled meeting following the close of primary candidate registration, voting may take place on all contested races for which the Party has not previously taken an endorsement vote.
3. If both candidates advancing to the General Election in a particular race are Republicans, a vote will take place in which members are asked to select one of the candidates for official endorsement. In order to secure a sole official endorsement, a candidate must receive 60% or more of the votes by Pend Oreille County Republican members present who have voting privileges.
4. If neither candidate receives 60% of the votes to officially endorse, a second round of voting will occur. During this second round of voting, each member will vote “yes” or “no” on each candidate. Any candidate receiving 50% or more of the votes shall receive the official endorsement of the Pend Oreille County Republican Party. This may result in a dual endorsement, or no official endorsement.

(New addition passed 8/11/22)

POCR Operating Principles for Vetting Candidates:

1. POCR Central Committee reserves the sole right and authority to determine if a candidate meets the current platform guidelines of the POCR and WSRP to legitimately run as, and/or be endorsed as a Republican by the POCR Chair. 3. Local, regional, statewide, and national candidates may be endorsed by the general membership without membership requirements in the POOCR. They are not eligible for any funding by the POOCR without a super majority approval by 60%+ of the entire POOCR membership attending at the time of the vote. Said vote must be announced to the general members no later than the month prior to the next general meeting when the vote would occur. Said vote must be made in person.
4. POOCR members, who have been a member in good standing for no less than one year prior to legally announcing their candidacy, only require a simple majority vote approval for funding by the general membership present as outlined in the current bylaws.
5. Candidates accepting POOCR endorsement with a funding award must sign a written pledge prior to receiving their monetary award.
 - a. The candidate must pledge to not publicly or privately, endorse or support, in any way, a candidate running for a partisan office that is not a Republican for the entirety of the endorsed candidate's term in office.
 - b. Said candidate agrees to return all funding awards within thirty (30) days written notice from the POOCR Chair and signed by at least a simple majority of the elected and appointed PCO's in the event they violate their pledge.
 - c. The candidate may request, in writing, to appeal the ruling in person, as determined by a simple majority vote of the Central Committee members.
 - d. Failure to appeal and/or return the funding award within thirty (30) days of the formal notice negates all opportunity to further appeal.
